PressReader: eNewspapers, eMagazines

Mobile App

Let's Get Started!

- Download and open the free **PressReader** app.
- Tap on **Get Started**.
- Select your preferences for **Categories** and **Publications**.
- At the **Sign In** page, select **Libraries & Groups**.
- Tap **Select Library or Group**, type Clarington, and select Library – Clarington Public Library (Offsite).
- Enter your entire 14-digit Clarington Public Library card number and PIN and select **Sign In**.
- **Please note:** You may be required to create a PressReader account to use the mobile app. Sign up for a PressReader account with your email address and name, and click **Sign In**.

Searching for Publications

- Use the **Browse** tab to browse publications or search for a title. In this tab, you will find recommended and popular publications.
- Tap the magnifying glass ("**Search Publications**") along the upper bar and enter your keywords, such as title, publisher, or category.
- For more information and to see back issues, tap the **cover**.
- Tap the **download** icon to add an issue to your device.
- Tap **Read** to open the publication on your device.
- To search by **Country of Publication** or **Language of Publication**, select your preference from the drop-down option.

Navigation

Along the bottom bar, select from **For You**, **Browse**, **Downloaded**, **Bookmarks**, and **More**:

- **For You:** Publications based on your choosing, from preferred newspapers and magazines, to interests that you have selected.
- **Browse:** Recommended and popular publications, as well as the option to "Search Publications" for desired titles or interests.
- **Downloaded:** Read publications on the go! Downloaded newspapers and magazines will appear here.
- **Bookmarks:** Create collections ("Read later") and add titles and articles for later browsing.
- **More:** Access the HotSpot Map, Accounts, and Settings.
